 - ✓ With our Islands Health Plan you'll have access to our extensive medical network on the islands and across the UK.
- You can use the Islands [Directory of Hospitals](#) to see which hospitals this includes. You can also choose to extend your hospital network and gain access to a greater selection of hospitals in London.
- ✓ You'll have the certainty of a predictable monthly, quarterly or yearly regular cost, not a sudden bill after you've had the treatment.

Further customise your cover

- ✓ When you choose the Islands Health Plan, you can choose if you'd like to pay monthly, quarterly or annually.
- ✓ You can also choose to add an excess. That means if you claim you'll agree to pay up to a certain amount per person, per policy year. In return you'll pay less for your premiums.

Here's an example:

David works in Saint Helier but often travels elsewhere for work and to visit family.

He's chosen Premier cover level so that he's covered for visits to his GP, and added the dental and optical upgrade to help with the cost of his glasses. Then he's cut costs by adding an excess of £200. He also knows that no matter which level of cover he chooses, he can speak to a doctor over the phone or online, 24/7, with the Virtual Doctor service.

More than 80% of claims are paid within 2 days.²
